Allowable Subject Matter

1. Claims 1-6 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art does not teach that, the discharge lamp start control unit causes said discharge lamp to make transition from the daytime running light to the night time running light when said discharge lamp start control unit receives the signal indicating the on state of said second switch during the daytime running light, by changing the power supplied to said discharge lamp from the second power to the fourth power; and causes said discharge lamp to make transition from the nighttime running light to the daytime running light when said discharge lamp start control unit receives a signal indicating an off state of said second switch during the nighttime running light, by continuously reducing the power supplied to said discharge lamp from the fourth power to the second power recited in combination with all limitations recited in independent claims 1 and 4.

Claims 2-3 and 5-6 are allowed, since they are depending on claims 1 and 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
